Principal’s Report

Term 3 is the final classroom learning term for Year 12 students, and we wish them well. Every teacher will do all that is possible to assist them during these last few weeks. They are encouraged to remain disciplined and organised for the remaining time. Good practices now will yield dividends in the HSC results. A sensible program of study, rest and work is recommended.

Placing value on ‘learning’ and ‘helping people to reach their potential’ are keys to any successful learning community. To achieve this we need to work together as a whole community. It might include our community values, problem solving and working as a team to ensure that students reach their full potential. There is no substitute for good preparation, planning and commitment when it comes to success. If we understand this principle then we can help create an atmosphere for study that will assist students in developing good habits. Bearing this in mind, please assist us in ensuring that our Year 12 students have good study habits at home, as we want them to achieve good results to put them in good stead towards their chosen career.

Year 10 are contemplating their progress into Year 11. This is an important time for considering the future. We always recommend that students, as they consider choices, to target subjects which allow the pursuit of future career choices. Our Career Advisor has been interviewing our Year 10 students on subject choices and career goals to ensure a successful transition to Year 11 next year.

Parents/guardians should soon be receiving the National Assessment Program (NAPLAN) results through the mail. The results of these tests will provide useful information for teachers and parents. In particular, they will help to inform teachers in their ongoing efforts to address the literacy and numeracy needs of their students across all subjects. We are confident that our new ‘Get Reading Right’ program will develop students’ literacy capacity even further.

This term the elections for 2015 prefects were held. An outstanding group of students were elected. The School Captains and Vice Captains were selected through an election process, with voting rights given equally to Year 11 peers and teachers. Interested prefects presented a five minute speech to their peers and teachers on their leadership qualities and their goals for Hoxton Park High School. Our Captains, Vice Captains and prefect body are students of the highest calibre and will bring distinction to both themselves and the school.

My challenge to the 2015 prefect body was to exemplify honour, graciousness and integrity. I asked them to take this opportunity as prefects to boost the self-esteem of all their peers and to be the leaders who make the difference by making everyone feel that they belong, believe and feel safe because:

- Everyone has the right to feel good about themselves.
- Everyone has the right to feel safe.
- Everyone has the right to be happy.
- Everyone has the right to be treated with dignity.
- Everyone has the right to achieve their dreams.

It is about helping us promote and exemplify the Hoxton Honour Code.

To the 2014 prefects, I wish to thank you on behalf of the Hoxton Park High School community for all the work and commitment you have given to building our school and caring for our students. You have given the 2015 prefect body a strong sample of inspirational leadership. I know that you will continue to develop your skills and make a true mark as future leaders both in your chosen field and society.

Leny Wallace
Deputy Principal’s Report

Skoolbag
To further support communication, Hoxton Park High School now has its own smartphone app.

To install it, just search for our school name “Hoxton Park High School” in either the Apple App Store or Google Play Store. A simple instruction sheet is located within this newsletter.

The app itself is free and we have found it to be very useful in highlighting student achievements, upcoming calendar events and as a site for student/school information such as school routines and the newsletter itself.

Please install the app and enjoy hearing more about your school. We encourage students, parents, staff and community members to utilise this great communication tool.

Year 12
With very little time left before the HSC examinations, Year 12 students are encouraged to continue right until the very end.

It is crucial that students continue to participate in classes, set work and do their own personal revision to ensure that their results are maximised – continued effort will see rewards.

Students should maintain a healthy balance between school and other commitments and ensure that they also maintain a healthy diet and sleep pattern.

What can students do at this point? Read, take notes, revisit past assessment tasks and classwork and visit the BOSTES website to utilise resources such as past examination papers and advice regarding examinations. Students should continue to attend classes and make appointments with teachers to clarify issues and gain support during their examination preparation.

Good luck to all Year 12 students. We wish you all the best in the final stages of your secondary school journey.

Junee High School Agriculture/Primary Industries Excursion – AgVision 2014
On Tuesday, 2nd September and Wednesday, 3rd September, I was fortunate to be a part of the excursion to AgVision 2014, hosted by Junee High School.

AgVision is a careers focused convention for students interested in careers within the field of Agriculture.

The day was organised with many Agriculture careers represented within separate elective workshops throughout the school. Students were able to sample many available careers and meet experts within each field whilst also meeting and networking with students from secondary schools from all over NSW.

Due to the distance involved, we travelled on the Tuesday and stayed overnight in Wagga Wagga, travelling to Junee High School on the Wednesday morning. After a full day sampling careers within Agriculture, we finished at the school at 2.30pm.

We managed to fit in a quick trip to the Junee Chocolate and Licorice Factory in the restored Junee Mill and then we headed home. Despite the freezing conditions, students enjoyed seeing a vastly different landscape to their home as we passed through the canola fields and sheep farms southwest of Sydney.

Our students represented their school so well and each student is commended on their efforts. They demonstrated all aspects of the Hoxton Honour Code and brought great credit to their school, families and themselves over the two days away from school.

Thanks also to Ms Murray for her organisation and efforts to make this excursion possible.

Have a look at the school website for more information about the excursion.

Paul Lawrence
Skoolbag is a mobile App for your school to communicate directly to both parents and students. It works through both smartphones and smart devices (such as iPads and Android Tablets). Ideal for:

- School, free push notification alerts
- School events
- School newsletters
- School documents
- School RSS feeds
- School social media (Facebook, Twitter)

How To Install Skoolbag On Your Smartphone

**iPhone & iPad Users**

1. Click the “App Store” icon on your Apple device.
2. Type your school name in the search, using suburb name will help.
3. If iPhone, you will see your school appear, click “Free” then “Install”.
4. If iPad, change the drop list to “iPhone Apps”, your school will then be visible, click “Free” then “Install”.
5. When installed click “Open”.
6. Select “OK” to receive push notifications, when asked.
7. Click the “More” button on the bottom right of the App, then “Setup”.
8. Toggle on the Push Categories that are applicable for you.

**Android Users**

You must first have signed up with a Google Account before installing the app.

1. Click the “Play Store” button on your Android Device.
2. Click the magnifying glass icon at the top and type in your school name, using suburb name will help.
3. Click the school name when it appears in the search.
4. Click the “Install” button.
5. Click “Accept” for various permissions (please note, we do not modify any of your personal data on your device).
6. Click “Open” when installed.
7. Click the “More” button on the bottom right of the App, then “Setup”.
8. Toggle on the Push Categories that are applicable for you.

Prefect Induction

Hoxton Park High School’s Prefect Induction was held in the school library on Friday, 29th August, while parents and staff proudly watched as students pledged to uphold the values of the school as the new student representatives.

The event was hosted by the graduating Captains of 2014, Robina Brown and Jordan Archibald, who became teary as they thanked the school for their support throughout their leadership. We would like to thank all of the Prefects of 2014 for their continued commitment and dedication towards the school.

Hoxton Park High School would like to congratulate the following students as the newly elected Captains, Vice Captains and Prefects:

**Captains**
- Jordan Ieremia
- Despina Veleski

**Vice Captains**
- Rami Katlan
- Stefani Rnjak

**Senior Prefects**
- Jade Bancroft
- Tzi Foulkes
- Melissa Horacek
- Christine Jabur
- Timothy Jakimovski
- David Koung
- Kharah Vongsamphanh-De Alvia
- Andrew Youisif

**Junior Prefects**
- Josie Carioti
- Sebastian Carmona-Lopez
- Asraa Kattoub
- Eucharist Lonetona-Stowers
- Bryson McMartin
- Hien Kim Ngo
- Hannah Read
- Jet Taunton

Ms L. Mohammed  
Prefect Coordinator

**HSIE Faculty Report**

**Fowler Electorate ANZAC 2015 Commemoration**

On Thursday, 19th August, Robina Brown and Erick Luu, accompanied by Miss Campbell, were invited to accept a seeding grant of $1000 as part of Hoxton Park High School’s inclusion in a community project, supported by the Cabra-Vale Diggers to commemorate the ANZAC Centenary in 2015.

Building knowledge at schools and in the community are the initial stages of the project and Year 10 Elective History students have begun planning for their entries into the competition to showcase how they will commemorate the ANZAC Centenary in their own unique way.

All students from Hoxton Park High School are eligible to enter the competition. If you would like to enter the competition, either on the secondary school level or community level, please contact Miss Campbell.

Ms C. Campbell  
HSIE Teacher
**PDHPE Faculty Report**

It has been super busy with many exciting things happening in PDHPE this semester. We have had two more teachers complete their GERRIC training. All permanent members of the PDHPE team have now completed their training and are busy programing and planning work to implement differentiated strategies in their classrooms. It has been an eventful semester using the Get Reading Right strategies in all our classes and we have seen the benefits in many of our students’ literacy skills.

We have had a fun-filled Year 8 Gala Day with record number of students attending. A very special mention needs to be given to the Girls’ 7-A-Side Soccer Team, who were Champions on the day. Well done girls!

Our Regional Athletics Team competed at Campbelltown Stadium on 24th July. They represented Hoxton Park High School with pride and achieved outstanding results with Joseph Dinapoli in Year 10 placing in the top 10 for high jump and the 100m sprint. Aston Vaiatu in Year 8 finished 2nd in shot put and 3rd in discus. Faleali Falefata in Year 7 came 2nd in shot put and Emily Lopama in Year 11 achieved a 2nd place in the 16 girls’ discus. All students have made the State Athletics Championships at Olympic Park Stadium in Homebush and we wish them all the best.

Mrs H. Kempton  
PDHPE Head Teacher

**TAS/Industrial Arts Faculty Report**

On 25th July, the Industrial Arts Department took a group of students from Years 7, 9 and 10 to the annual ‘Working with Wood Show’ at Sydney Olympic Park. The day was a great success with students having the opportunity to see emerging technologies in timber work as well as master craftsmen creating amazing works.

Also, at the show was a display of Year 12 major works from the previous year hosted by our own former Acting Deputy Principal, David Macpherson. At this display students could see just what fellow peers have created in school, giving them inspiration and building interest in the craft.

Students on the excursion displayed outstanding behaviour and great interest in the day and should be congratulated for how they represented Hoxton Park High School.

On Thursday of Week 4 Year 12 students submitted their major works for Industrial Technology Timber. While it was a rush to finish by the due date, students were able to submit some innovative, high standards of work. With two students handing in some outstanding projects that stood out from the rest, Cooper McLachlan submitting an outstanding coffee table and Dean Ebejer handing in a stunning wine rack. These jobs were marked by external markers on 18th July. Best of luck to all students in Year 12 Industrial Technology Timber.

Mr T. Bradford  
TAS/Industrial Arts Teacher
Year 12 Advisor’s Report

As always, this term has been busy and Year 12 have had a lot of things on their 'to do' lists, including completion of all assessment tasks, HSC Drama projects, bringing in notes for their Yearbook, Formal deposits and Cadbury Fundraiser. In addition there was a Krispy Kreme Fundraiser to raise money to go toward a 'leaving gift' for the school.

The date for the Year 12 Formal has been set for Thursday, 4th December, at Le Montage in Lilyfield. Tickets are available to Year 12 students now and payment needs to be finalised by the last day of Term 3 (Friday, 19th September).

Please ensure this happens to avoid disappointment.

The dates for both the Picnic Day and the Graduation Ceremony have also been set. Picnic Day will be on Monday, 15th September and the Graduation Ceremony will be on Thursday, 18th September. Parents please make a note of these dates in your diaries/calendars and keep an eye out for information to come.

With only weeks to go before Year 12 leave, I am filled with mixed emotions. I am asked regularly if I will miss them. I will miss them more than they know. I will also be greatly relieved that after this six year journey that they have made it through. A new life awaits! But in the meantime, to be competitive with ALL the students across NSW in the HSC they need to work hard and use their time to STUDY, STUDY, STUDY!!! I feel certain, however, that they are well prepared. They have been an inspirational Year group and I must say I am very proud of the example they have set for the rest of the school. There are some fine examples of talented, intelligent, hardworking individuals in this Year group and my personal opinion is Year 11 have some big shoes to fill. My message to Year 12 before they depart is ‘use your gifts’. Know your strengths and make the most of the opportunities life gives you. It’s not over yet, but so very close. Thank you for being a fabulous Year group and setting the standards of the Hoxton Park High School’s Honour Code – Safe, Respectful Learner.

And, of course GOOD LUCK in the HSC!!!

Ms R. Halley
Year 12 Advisor

Year 9 Fundraiser – RSPCA Cupcake Day

On Monday, 19th August, Year 9 supported the RSPCA by selling delicious, homemade baked treats for all at Hoxton Park High School to enjoy. The day was a great success with Year 9 raising $377. The money raised will help support the RSPCA and the fantastic work they do. The RSPCA has 40 shelters all throughout Australia and requires generous donations from the public. Each year it costs over $80 million to continue keeping all sheltered animals healthy and providing them with the opportunity of being adopted into a new forever home.

Well done Year 9 to all those who spoke at assemblies, baked cakes and sold cakes on the day. A big thank you to all the students and staff who supported the fundraiser and bought some well-deserved baked treats on the day.

Ms L. Vukman
Year 9 Advisor
Year 8 Advisor’s Report

Year 8 Gala Day
Students in Year 8 were involved in the district Gala Day and competed against other local schools in basketball, oz-tag, soccer, netball, hockey, AFL and European handball on Thursday, 7th August, in boys’ and girls’ teams. Year Advisor, Miss Campbell, and Assistant Year Advisor, Miss Bou, were happy to supervise and support our Year 8 students on the day.

We are proud to share that all of the reports back from our groups and other supervising teachers on the day were that our students were extremely well-behaved and represented the Hoxton Park High School’s “Honour Code” with great enthusiasm and sportsmanship.

Sport Report

Winter Grade Sport
Winter Grade Sport is coming to an end and a couple of teams are demonstrating some excellent skill heading towards the finals. The Mixed Volleyball Team, coached by Ms Vukman, have been getting regular wins each week and showing great teamwork along the way.

Ms Ali’s Girls’ 7-A-Side Soccer Team has also shown excellent results throughout the Winter Grade Sport Competition. The Girls’ A Team have had some big wins and have dominated other schools. Watching the girls play, they demonstrate excellent teamwork and skill, which has them at the top of the table. Keep up the good work Hoxton!

Boys’ Under 13’s Rugby League
The Boys’ Under 13’s Rugby League Team’s West Leagues Cup Campaign has come to an end with a tough 26-4 loss to Leumeah High School in the Under 13’s Semi-Final held at Waminda Oval. The game was a tough affair with both teams making some big tackles in defence. Hoxton started well with Jaymesson Ieremia crossing the line after a strong run, but unfortunately, through a couple of injuries and some silly penalties, Leumeah were able to gain the upper hand and run away with the game. I am so proud of the boys as a majority of them do not play rugby league, but they all put 100% in and never stopped trying throughout the season. Well done boys and lets go one better next year!

Boys’ Under 15’s Basketball
The Boys’ Under 15’s Basketball Team reached the central venue round for the second straight year. The team’s first game was against Holsworthy High School. Hoxton got off to a fast start to take a 10-0 lead early. Sebastian Parraguez was everywhere on the court leading by example in both attack and defence. As the game went on Hoxton’s shooting got stronger and by half-time Hoxton led by 12 points. Big effort in defence by Aleksandar Strinic and Earl-Christian Sabarre and the dynamic speed of Bross Peuo got Hoxton over the line 27-23.

In the next round we played Macquarie Fields High School. Unfortunately, we were without Sebastian and it seemed to affect us. We started off evenly with the much bigger and stronger opponents with some excellent defence from Stefan Vidić, but on the attack our shooting was poor and we were unable to take our chances. As the game went on Macquarie Fields took full advantage of our turnovers and we were unable to get back into the game. Lots of commitment was still shown by all players, especially by Justin Anulat, who played hard until the final siren.
In the consolation game we played Elderslie High School. Once again, we played a very tough team and we started off trading baskets for most of the first-half. Antonio Poleis showed great effort in defence and some spectacular shooting from Aston Vaiotu, Anthony Gago and Ben Parraguez kept the score close. Unfortunately, Elderslie were just too strong and claimed the victory.

I would like to thank all the boys for their effort and for making the games fun and exciting. Also, thank you to the Year 11 boys: Vichna Mealea, David Koung, Mathew Gago and Viliami Fifita, who were assistant coaches and showed great enthusiasm and encouragement for our team.

State Athletics
Congratulations to Emily Lopamaua, Aston Vaiotu and Falealii Falefata who competed at the State Athletics at Homebush Athletics Centre on 4th, 5th and 6th September, representing Sydney Southwest. A fantastic effort to make it to such a high level of competition!

Mr J. Harris
Sports Organiser

IMAX Theatre and Sydney Aquarium Excursion

On 25th August, Year 8 had the chance to visit the IMAX Theatre and the Sydney Aquarium located at Darling Harbour.

The Year 8 students got to sit down by the harbour and have morning tea whilst waiting for the movie “The Human Body” to begin. “The Human Body” showed our human body cycle from when we wake up in the morning to when we go to sleep at night.

After going to the IMAX Theatre we made our way to the Sydney Aquarium by foot. Throughout the time at the aquarium we could all say that we had fun. We were toured around by our teachers and even learnt a few things about the sea creatures and their habitats.

After visiting the Sydney Aquarium it was lunchtime. We had a few choices, such as McDonalds, Subway and Starbucks. A few minutes after lunch we all got called to make our way to the bus. Although the bus arrived back late to the school, we had a pretty awesome time spending it with our peers and teachers.

Kayla Pistolich and Yasman Mutar
Year 8
Coming Events

Monday, 15th September:
- Crossroads for Year 11 begins.
- Year 12 Picnic Day.

Tuesday, 16th September:
- Fast Forward University Day for selected students from Year 9.
- Motivational Media Presentation for Year 9, Year 8 Self-Select class and Year 7 Self-Select class.

Thursday, 18th September:
- Crossroads for Year 11 ends.
- Year 12 Graduation Ceremony.

Friday, 19th September:
- Year 11 Picnic Day.
- Last day for Term Three.

Tuesday, 7th October:
- First day for Term Four for students and staff.

Monday, 13th October:
- HSC Exams begin.

Monday, 20th October:
- Year 11 Biology Excursion to Bonna Point National Park.

Monday, 27th October:
- Year 7 Exams/Assessment Week begins.
- Year 10 Exams/Assessment Week begins.

Thursday, 30th October:
- Immunisation for all Year 7 and Year 9 boys.

Friday, 31st October:
- Year 7 Exams/Assessment Week ends.
- Year 10 Exams/Assessment Week ends.

Monday, 3rd November:
- Year 8 Exams/Assessment Week begins.

Wednesday, 5th November:
- HSC Exams end.

Friday, 7th November:
- Year 8 Exams/Assessment Week ends.
- Years 9 and 11 Japanese Excursion to attend Language Workshop.

Monday, 10th November:
- Year 9 Exams/Assessment Week begins.

Friday, 14th November:
- Year 9 Exams/Assessment Week ends.

Miller TAFE Outreach, Foundation Skills and Fairfield Local Area Command is offering the following course in Semester 2, 2014 (August to November)

Introduction to a Career in the NSW Police Force

Qualification to be awarded upon successful completion of the course will be Course in Vocational and Community Engagement 10093NAT

Students will develop valuable skills including:

- Familiarisation with the NSW Police Recruitment process - stages of application, prior certification/qualifications, criteria for entry, fitness, training requirements
- Developing understanding of critical communication, cultural awareness, personal presentation, appropriate attitude and behaviour as a NSW Police Officer
- Identifying the range of job roles and career opportunities in the NSW Police Force
- Investigate TAFE study options to Policing
- Spend time talking with experienced Police Officers
- Introducing and using a variety of employability skills such as conflict resolution, communication and teamwork skills.
- Understanding the impact of further training on self-esteem, lifestyle and career choice/s.

Course will be delivered over 5 days commencing 1 December 2104 (all days MUST be attended):
Monday 1/12/14, 10-12pm (2 hours) Information, Application and Enrolment
Tuesday 2/12/14, 10-2pm (4 hours) Workshop 1
Wednesday 3/12/14, 10-2pm (4 hours) Workshop 2
Thursday 4/12/14, 10-2pm (4 hours) Workshop 3
Friday 5/12/14, 10-2pm (4 hours) Workshop 4 plus simulated Fitness Testing Session

Enrolment and Information Day
Date: 1 December 2014
Time: 10.00am to 2.00pm
Venue: Fairfield Local Area Command (Police Station), 40-42 Smart Street FAIRFIELD

The minimum penalty for disobeying ‘No Parking’ is $173 and **2 demerit points**. You may only stop here for **2 minutes** and stay within **3 metres** of your vehicle.

The minimum penalty for parking in a ‘Bus Zone’ is **$311** and **2 demerit points**. You can not stop here at all.

The minimum penalty for disobeying ‘No Stopping’ is **$311** and **2 demerit points**. You can not stop here at all. Parking on nature strips is also illegal.
Dropping off and picking up students at school the safe way

Children are vulnerable around and on the road. Their physical size and developmental limitations place them at risk in the traffic environment. Drivers are less likely to be able to see a small child and it is harder for children to see oncoming traffic. Their lack of road experience means it is difficult for a child to judge dangerous situations. Children's safety to and from school is an important road safety issue.

'No Parking' zones allow drivers to stop for a maximum of two minutes to drop off and pick up passengers. Drivers must stay within three metres of their vehicle at all times. 'No Parking' zones provide a pick-up and set down area that gives parents and carers a safe environment to drop-off and pick-up their children from school by car.

Many school road environments in the Liverpool Local Government Area have 'No Parking' zones which work well when parents use them properly. Problems arise however, when drivers misuse the zones by stopping and waiting in their vehicles for lengthy periods. The penalty for disobeying a 'No Parking' sign is $173 and 2 demerit points (effective 1 July 2014).

Parents must ensure their children know how they will be collected from school. They need to know when and where parents will be after school and where they should wait. Children must know not to try and get into a vehicle while it is still in traffic, even if it is stopped.

Tips For Parents:

- Make sure that the hand brake is applied when the vehicle is stationary in the 'No Parking' zone.
- Make sure children use the footpath-side door when getting in and out of a car.
- Never double park, park across a pedestrian crossing or park in a 'No Stopping' or 'Bus Zone'.
- Never undertake a U-turn in close proximity to a school.
- Never call to your child across the road.
- Children up to 10 years old should be actively supervised around traffic and should hold an adult's hand when crossing the road.
NO PARKING (kiss and drop)

- You may only stop here for 2 minutes
- The Driver must stay within 3 metres of the vehicle
- The minimum penalty for disobeying ‘No Parking’ is $173 and 2 demerit points (school zone)
